

PALANGA AIRPORT INCENTIVE SCHEME

State Enterprise Lithuanian Airports is committed to encouraging airlines to operate new routes to/from Palanga Airport and to promote the continued and sustainable development of route network and increase the volume of passengers. This Incentive Scheme aims at assisting the airlines to establish and sustain new routes which are not yet operated by any other airline from Palanga Airport as well as reward airlines that deliver capacity growth at Palanga.

The discount may be applied to the following Airport Charges:

- Departing passenger charge;
- Aircraft landing charge;
- Aircraft parking charge.
